Adams Chimney Specialist LLC

Since 2015, Adams Chimney Specialist LLC has been setting powder coating industry standards in quality and service.

Powder coating is the process of coating metal with a plastic finish applied in powder form, then baked in a fluid state to bond it to the metal surface.

More resistant to cracking, peeling, chipping, scratching, rust and other wear.

Provides superior color retention.

Distributed exclusively through Adams Chimney Specialist LLC

Delivering the quality products you deserve!
